

The **International Conference on eXtended Reality (XR Salento 2026)** offers a unique opportunity for researchers, professionals, engineers, and academics from various fields to exchange insights, share experiences, and present advancements in eXtended Reality (XR) and Artificial Intelligence (AI).

Supported by the University of Salento, **XR Salento 2026** serves as a platform for scientists, engineers, educators, students, entrepreneurs, and industry professionals to collaborate, exchange ideas, and explore the latest advancements in XR and AI technologies.

### TECHNOLOGIES

- Virtual Reality
- Augmented Reality
- Mixed Reality
- Artificial Intelligence

### APPLICATIONS

- Industry
- Medicine and Rehabilitation
- Cultural Heritage and Arts
- Education and Inclusion
- Digital Twin

XR Salento 2026 accepts **full papers** (12-20 pages), and **short papers** (6-11 pages). Accepted papers will be published in **Lecture Notes in Computer Science**, edited by Springer.

**Full Paper submission:** March 31, 2026

**Short Paper submission:** March 31, 2026

**Notification of acceptance:** April 30, 2026

**Camera-ready submission:** May 10, 2026
