

# XR SALENTO 2023

## International Conference on eXtended Reality

September 6-9, 2023 – Lecce, Italy

[www.xrsalento.it](http://www.xrsalento.it)

The **International Conference on eXtended Reality (XR Salento 2023)** offers the opportunity to bring together the community of researchers from academia and industry, computer scientists, engineers, physicians in order to share points of views, experiences, know-how and technical results related to eXtended Reality technologies and applications, 3D visualization, games and serious games.

**XR Salento** is an evolution of previous editions of the International Conference on Augmented Reality, Virtual Reality and Computer Graphics (Salento AVR), which had united the AR/VR community since 2014.

To cope with the increasing demand of application of XR technologies in several fields, XR Salento 2023 will also focus on topics such as **Digital Twins** embracing **Internet of Things**, **Artificial Intelligence**, and **Data Mining** to create a digital representation, gather and store real-time data, simulate the future state, and facilitate optimization.

Topics of interest for submission include, but are not limited to:

### TECHNOLOGIES

- Virtual Reality
- Augmented Reality
- Mixed Reality
- Artificial Intelligence
- Internet of Things
- Data Mining

### APPLICATIONS

- Digital Twin
- Industry
- Medicine and Rehabilitation
